

S.J. PHILLIPS

Three row jade, ruby, sapphire and diamond bead bracelet by Cartier, New York,

spaced by two geometric diamond motifs, the rows of graduated jade beads accented by ruby bead duos with diamond roundels, the two diamond motifs each formed of a stepped tapered panel with harebells upon a rectangular buckle link, one forming the clasp, the diamonds all millegrain set, mounted in platinum, unsigned, accompanied by GCS report no. 78131-20 commenting that the natural jadeite jade beads show no indications of impregnation, further accompanied by (scanned PDF copy of) IAJA Expertise report no. XP1161-280323 from Olivier Bachet & Bernhard Berger declaring that in their opinion this is a genuine Cartier item

Length 19cm / 7½"

Weight: 31.5g
