

S.J. PHILLIPS

Pair of Art Deco pearl and diamond tassel drop earrings by KOchert, Vienna, c.1925,
each tassel formed of five strands of seed pearls, graduating in length towards the centre, terminated
with small old round cut diamonds, the tassels suspended from a diamond section of double
herringbone form, hung from an articulated diamond drop comprised of four old brilliant cut diamonds,
all millegrain set in platinum, with scroll post fittings.
