**Emerald and diamond arc ring, the long emerald cut emerald of approximately 1.30ct,**  
claw set portrait between diamond C scroll panel shoulders, each pave set with single cut diamonds  
and accented by three slim baguette diamonds, mounted in platinum, shank stamped 'PLAT', in our  
opinion the emerald is of Colombian origin with minor traditional oil clarity treatment  
Emerald 10.50 x 5.45 x 2.90
